PM-1474 Design

Dear Charles:

I enclose a copy of a PTO action dated November 24, 1992 in the captioned design application. The action is a thirty day requirement for restriction involving twelve embodiments divided into three groups. Please let me have your instructions as to which group to elect and as to whether or not divisional applications should be filed on the other groups.

The examiner has also required a change of title to read "a Flavor Generating Smoking Article". In view of Jim Schardt's instructions to me on November 23, 1992, I propose to amend the title to simply "Smoking Article" unless you would prefer the alternative "Electrical Cigarette." I plan also to amend the specification and claim in a corresponding manner.

Please let me have your instructions promptly so that I can file a required response before the due date of December 24, 1992.

Sincerely,

Charles B. Smith
